To whom it may concern:

I am writing this reference to recommend Alfredo Dominguez Lucio, who worked with us at Samsung as a software engineer for the past three months, Alfredo demonstrated during this time to be a responsible, proactive, and innovative member with a great attitude to work as a team member.

I believe he is a great person to work with and he has the attitude and capacity to take on any responsibility assigned. As a result of his work, we would not hesitate to hire him again if the opportunity arose.

In case you need any information, please feel free to send me an email and I will gladly reply: rafaelvc891@gmail.com

Sincerely,

Rafael Vazquez Corona

Tijuana, Baja California, Mexico.
